LLANARTHNE HALL

— 2018 - 2019 —

“Llanarthne Village Hall is the ideal venue for your wedding whether it is an intimate event or a larger bash as the hall can cater for up to 150 guests.”

“We had our wedding in Llanarthne village hall in October 2015. It was Magical!”

The hall has a special part in my life and it was amazing to enjoy our day in the village in which I grew up! It’s a beautiful and peaceful spot with Paxton tower overlooking it! The committee are great and helpful in every possible way!”

Llanarthne Village Hall is the ideal venue for your wedding whether it is an intimate event or a larger bash as the hall can cater for up to 150 guests. The main hall will seat 100 guests around the tables and a further 20 can be accommodated upstairs in the balcony. However, an additional 30 guests can be included for the evening which allows for a more informal setting.

Hirers can decorate to their personal taste and we only ask that the hall is left in the condition that it was handed to you. We would therefore appreciate no sticky tapes on the walls nor blue tack as that also leaves a fatty residue on the paint work. Although we have recycling facilities within the hall's car-park we do ask you to remove any rubbish and take it away with you. Bottles also need to be removed.

Many thanks.
